

PARIS DEEP DECARBONISATION FORUM

October 11th, 2023

Venue : Pierre Mendès-France Conference Center, 139 rue de Bercy, Paris, France

Mr Bruno LE MAIRE, French Minister of the Economy, Finance and Industrial and Digital Sovereignty and Ms Agnès PANNIER-RUNACHER, French Minister for the Energy Transition, are pleased to invite you to **the Paris Deep Decarbonisation Forum**.

This event is gathering high-level policymakers, CEOs, energy companies and asset managers and will provide an opportunity to exchange ideas and gain valuable insights from our panelists, who will share their perspectives on financing deep decarbonisation infrastructures.

The agenda includes the following expert-led panels :

- **Accelerating the Energy Transition : Innovative Financing Solutions for Renewable Energy Projects**
- **Pioneering Pathways to Deep Decarbonization in Industry : the Examples of Low-Carbon Hydrogen and CCS Technologies**

Opening address at 9 a.m :

Bruno LE MAIRE, Minister of the Economy, Finance, and for Industrial and Digital Sovereignty, and **Agnès PANNIER-RUNACHER**, Minister for the Energy Transition

Among the keynotes speakers :

Raj RAO, President and Chief Operating Officer, **GLOBAL INFRASTRUCTURE PARTNERS**

Raj Rao is a founding member of Global Infrastructure Partners (GIP), having joined at GIP's inception in 2006. He oversees GIP's investments and day-to-day operations. He is a member of the Office of the Chairman, as well as the firm's Executive Committee and Investment Committee. Mr. Rao was previously GIP's Global Head of Energy. Mr. Rao currently serves on the board of directors of Naturgy and Vena Energy.

Emmanuel LAGARRIGUE, Partner, **KKR**

Emmanuel Lagarrigue joined KKR in 2022 and is a Partner. He serves as Global Co-Head of the firm's Climate strategy within the Infrastructure business. Mr. Lagarrigue has a wealth of experience in sustainability, the energy transition and the transformation of large businesses. Previously, Mr. Lagarrigue was an executive committee member at Schneider Electric, holding the positions of Chief Strategy, Chief Sustainability and Chief Innovation Officer.

Bruno CANDES, Partner, INFRAVIA CAPITAL PARTNERS

Bruno Candes is a Partner with InfraVia Capital Partners. He is coordinating infrastructure investment activities. He also sits on the investment committee of the Growth Equity strategy. Bruno has more than 25 years of experience in global infrastructure markets in particular as a principal investor across Europe and North America. Before joining InfraVia, Bruno worked for several financial and corporate institutions including Axiom Infrastructure, Babcock & Brown or Egis.

Among the panelists :

Romain PY, Chief investment officer, ARJUN INFRASTRUCTURE

Romain Py joined Arjun in 2020 and is a Partner responsible for originating and executing investments. He was previously the CIO for African Infrastructure Investment Managers (AIIM, the former Macquarie-Old Mutual JV). At AIIM, he led the origination and investment activity across the continent, managing a 20-people team. He was a member of AIIM's Executive Committee and supervised the successful deployment of AIIF2 and AIIF3, and partial realisation of AIIF2.

Anne-Christine CHAMPION, Co-Head of Global Banking and Investor Solution, SOCIETE GENERALE

Anne-Christine Champion is Co-Head of Global Banking and Investor Solutions and a member of the Group Executive Committee, having been appointed 24 May 2023. Anne-Christine Champion began her career in 2002 at Natixis. In 2012, she became Global Head of advisory activities and infrastructure & project financing. In 2016, Anne-Christine Champion was then appointed Global Head of the Corporate & Investment Bank's newly created distribution and portfolio management business. In 2019, she became Global Head of Real Assets.

Clara MOUYSSET, Executive Director, TIKEHAU CAPITAL

Clara Mouysset, Executive Director at Tikehau Capital, leads the green assets strategy that supports the decarbonisation of the industry, building and transportation sectors. Before working for asset managers, Clara started her career with industrial players working 6 years for Total Energies and 2 years for Envision Group.

Nicolas BRAHY, General Counsel, HY24

Nicolas Brahy is the General Counsel as well as ESG and Public Affair Director of Hy24, a joint-venture between FiveT Hydrogen and Ardian, which is today the world's largest investment manager dedicated to investing in the entire value chain of clean hydrogen, from upstream to downstream applications, thus ambitioning to scale up the clean hydrogen economy. Hy24 manages the first-of-its-kind Fund: 'The Clean H2 Infra Fund' which is today up and running with €2 billion of allocations.
